1.3 Feedback from stakeholders\* Alumni  Parents  Employers  Students   
*(On all aspects)*

Mode of feedback : Online  Manual  Co-operating schools (for PEI)

## MODE OF FEEDBACK

Teaching excellence is measured through structured online feedback systems that assess teacher effectiveness for every course. Class Committee Meetings are conducted thrice in every semester to review the academic progress. The Class Committee consists of five student representatives, Principal and HODs. These meetings are important forums where students give their feedback on course content, teaching methodology, evaluation procedures, attendance, infrastructure facilities, mentoring, internships, and Student Training Programmes (NCC, NSS, YRC, Sports and Games, SAP).

The feedback and suggestions given at the CCMs are recorded by the Principal and the HoDs who lead and direct the CCMs. The feedback and suggestions are discussed and reviewed by the faculty and remedial measures taken if required. The feedback is also used during subsequent revision of syllabi, to improve the teaching-learning- evaluation process, infrastructure, resources and facilities, to ensure the effective implementation of the academic and administrative processes and to streamline Student Training Programmes. In addition to formal feedback, individual faculty members also obtain informal feedback from students, consider them and use them for improving their performance.

Student evaluation of teachers is done online for all courses taught in each semester. This is conducted after the end of CA tests in a structured manner and confidentiality is maintained throughout the exercise. The evaluation is based on the following parameters: knowledge of subject, methodology, evaluation and testing, levels of professionalism and the student- teacher relationship. The questions on the online feedback- form pertaining areas such as teacher's knowledge of the subject, guidance to the students receive in reference work, handling of the subject, completion of syllabus within the specified time, communication skills, teaching methodology, objectivity and impartiality in evaluation and punctuality. Course teachers can view the consolidated report of the feedback on the intranet, in the form of computer generated bar diagrams. The feedback helps in enhancing teacher effectiveness. The Principal also discusses the general comments during the general staff meetings and specific problems are addressed with individual faculty members.

Parents are encouraged to give feedback to respective departments and the college. Parent-teacher meetings are regularly conducted.

During the annual Board of Studies meetings held in Departments, Annual Academic Council meeting and the IQAC Advisory meetings, members evaluate the existing curricula and discuss ways of improving students' academic experience and performance. The members of the Governing Body examine the results of the various programmes and suggest ways to improve student learning outcomes.

1.4 Whether there is any revision/update of regulation or syllabi, if yes, mention their salient aspects.

Yes, Third Syllabus revision was done. Removal of obsolete topics and addition of recent topics were conceded.

1.5 Any new Department/Centre introduced during the year. If yes, give details.

No

2.12 How does IQAC Contribute/Monitor/Evaluate the Teaching & Learning processes:

- There are exclusive committees for Academic Audit, Planning and evaluation, Examination reforms, Log Book Verification, Grievance Appeal, Curriculum Development and Workload/timetable. Through these committees, Teaching and learning processes are monitored and evaluated.
- NET / SET awareness programmes are arranged for the faculty.
- Orientation program is conducted for the faculty members about work plan and course plan preparation.
- Orientation on importance of IQAC is conducted for Heads of the Departments.
- Orientation on NAAC guidelines.
- Taking feedback on Campus facilities, teaching learning and evaluation process from the students.
- The progress of students is monitored through unit tests, home assignments, seminars, etc.
- Periodic assessment of teaching-learning process and internal evaluations.
- Established Language laboratory, to improve communication skills in English.
- The College encourages research, publications, paper presentations and participation in international/national/regional workshops, conferences and symposia.
- Motivating the teachers towards implementing ICT enabled teaching-learning processes.
- Student feedback is analysed and necessary corrective measures are taken.

- All relevant information about the college is published on the college website and intranet for reference.

### 6.3 Quality improvement strategies adopted by the institution for each of the following:

#### 6.3.1 Curriculum Development

- The College follows the guidelines for curriculum development and restructuring set down by the UGC, TANSCHÉ and the Periyar University.
- An assessment of the effectiveness of the current curriculum is done through feedback obtained from faculty, students, alumni, subject experts, employers and members of the academic audit. After reviewing suggestions from all stakeholders, the Curriculum Restructuring Committee brainstorms for additional inputs.
- Based on the framework given, departments develop an outline of the proposed programme/course, with details such as course description, objectives, unitisation of the courses, evaluation patterns and references.
- The experience gained by faculty members as resource persons at conferences, seminars/workshops and also as members of Boards of Studies and Academic Audit Committees in other institutions facilitates the process of revision.
- The revised courses and syllabi are then discussed at Boards of Studies meetings. The recommendations of the Boards are brought to the Academic Council for its approval. The syllabus is reviewed and revised every three years. Major restructuring is done periodically, after taking into consideration the feedback from all the stakeholders such as alumni, employers, industry and academic experts from educational institutions.
- Boards of Studies, the Academic Council and Governing Body of the institution are constituted according to the norms laid down by the UGC.

### 6.3.2 Teaching and Learning
