Sir,
Sorry for the late reply. I have gone through the syllabus and suggested some changes. You can go through it.

General remarks:
Check course objectives in all courses. They are not written in the same manner.
Check the COs PSOs mapping.

some courses are new to me like mobile computing, so I have not suggested anything for these courses.

If you have any doubts, please let me know.

Regards,

Dr. E.S. Samundeeswari
Associate Professor of Computer Science
