Stakeholders Feedback on curriculum and syllabus

2017-2018

The proceedings of the Fifth feedback committee review meeting held on 22.02.2017 to discuss the feedback.

Date 22.02.2017

Feedback from Stakeholders

Students

- Needed recent edition textbooks to get current information about the subject.
- Course content should build the career of the students.

Alumni

- To strengthen the curriculum with more practical and technical skill to the students.
- Need more field studies than classroom teaching.

Parents

- Needed teachers support to clear the arrear of the students.
- To give coaching on aptitude test and in communication skill for better placement.

Employers

- To introduce course that must be able to place the students in government or private organizations.
- To give technical knowledge about the application of computer to all the students.

Teachers

- The course content must be designed to imbibe knowledge about industrial and social needs.
- The curriculum should focus on critical and logical thinking to meet the desired objectives.

Action Taken Based On Feedback Received From Stakeholders

Students

- Books with recent edition are equipped in the library to get knowledge about the current trend.
- Student's suggestions were considered and the curriculum is will be designed to build the career of the students.

Alumni

- Initiative will be taken to include practical and technical skill oriented papers in the curriculum.
- Students were taken to field study for live exposure on the subject.

Parents

- Faculty members took adequate steps to give special coaching to the slow learners.
- Parent's feedback is considered and gave special coaching to the students to increase their aptitude and communication skill.

Employers

- Recommendations of the employer will be considered in the forthcoming BOS to frame the topic that paves avenues for job opportunity.
- Computer application oriented paper will be introduced in the curriculum.

Teachers

- The suggestion was considered and steps were taken in curriculum to imbibe the courses related to industrial and social needs.
- In the upcoming Board of Studies necessary steps will be taken to modify the syllabus to include the topic related to critical and logical thinking.
