Stakeholders Feedback on curriculum and syllabus

2019-2020

The proceedings of the Seventh feedback committee review meeting held on 12.02.2019 to discuss the feedback.

Date: 12.02.2019

Feedback from Stakeholders

Teachers

- Teacher's feedback report focused on experimental learning rather than theoretical learning.
- The syllabus should inculcate innovative and job oriented content to the students

Students

- Students suggested to disclose their academic performance periodically.
- Internet and Intranet speed should be enhanced
- Need Industrial visit with associated industries to learn the subject practically.

Alumni

- Programmes to develop personality and extracurricular must be given importance.
- Needed Extra coaching classes to meet competitive exams and to enrich communication skills.
- Suggested to take more industrial visit and educational tour.

Employers

- The curriculum should be embedded with courses required for the IT industry.
- The etiquettes and the strategy followed in the industry should be imparted to the students.

Parents

- Parents requested to take extra coaching classes for their ward.
- It was proposed to include subject that should give avenues for job.
- Certificate courses were recommended.
