Department of Microbiology (UG and PG)

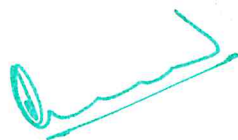

Feedback and Action Report (2016-2017)

Feedback

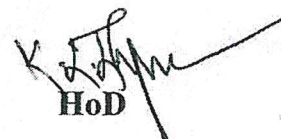

- The undergraduate and postgraduate alumni from our department and numerous stakeholders were requested to offer research-related opportunities for their higher research programs.
- The students were also asked to accompany employment training programs.

Action taken

- As demanded by our department alumni and diverse stakeholders, we council all of them for life sciences-related research opportunities.
- As asked by the students, we included the value-added course as additional in the syllabus which is related to employment training courses in Microbiology.
