

**K.S.Rangasamy College of Arts and Science College (Autonomous),
Tiruchengode- 637 215**

Department of Microbiology (UG and PG)

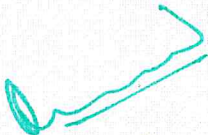

Feedback and Action Report (2017-2018)

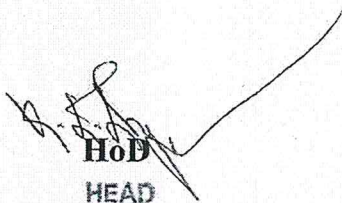

Feedback

- The undergraduate and postgraduate alumni from our department and numerous stakeholders were asked to offer seminars and workshops related to opportunities in Microbiology.
- The alumni were also requested placement in core/ life science companies for their careers.

Action taken

- As needed by our department alumni and different stakeholders, we accompanied various seminars and workshops for their careers.
- As suggested by the students, we introduced the life science-related core company for their employability.
