

**K.S.Rangasamy College of Arts and Science College (Autonomous),
Tiruchengode**

Department of Microbiology (UG and PG)

Feedback and Action Report (2020-2021)

Feedback

- The students were requested to conduct the hands on training and webinar for their research activities.
- The parents asked to conduct cycle based live classes for their studies.

Action taken

- As requested by the students we plan to conduct hands on training program, which is related to their research topics.
- We provide live session for theory and practical classes for their studies based on cycles.
