TIRUCHENGODE – 637215

Department of Physics (PG)

Feedback and Action Taken Report

Academic Year: 2016–2017

FEEDBACK

The following key points were observed from the feedback given by various stockholders such as teachers, students, alumni, parents for the academic year 2016 – 2017.

1. Computational physics as a core may be introduced.
2. Statistical mechanics and EMT may be revised and statistical mechanics is hard to understand.
3. Research-oriented subjects and training are needed.
4. Minor syllabus revision in statistical mechanics is needed based on the NET/GATE syllabus.
5. Parents expected employment-related content and coaching for government exams.

ACTION TAKEN

Based on feedback, the following action to be/are taken

1. Based on the suggestions, minor syllabus revision will be made in EMT, and statistical mechanics syllabus. Computational physics as a core will be introduced. It will be discussed in the forthcoming BOS meeting.
2. Seminar, guest lecture program will be organized to enrich research thought among the students.
3. CCS papers will be introduced in the forthcoming syllabus. Employment-related content and coaching were given by the placement cell.
4. Possibilities of Astrophysics subjects as an elective will be discussed in the forthcoming BOS meeting.
