

**K.S.RANGASAMY COLLEGE OF ARTS AND SCIENCE (AUTONOMOUS)**

**TIRUCHENGODE – 637215**

**Department of Physics (PG)**

**Feedback and Action Taken Report**

**Academic Year: 2018 – 2019**

**Feedback**

The following key points were observed from the feedback given by various stockholders such as teachers, students, alumni, parents for the academic year 2018 – 2019.

1. Most of the content is very useful for higher studies (research)
2. Spectroscopy (Unit III) and EMT, Physics of nanoscale may be revised and statistical mechanics is hard to understand.
3. Research-oriented subjects and training are needed.
4. Few topics are not in the syllabus of statistical mechanics. Minor syllabus revision is needed based on the NET/GATE syllabus.
5. Parents expected employment-related content and coaching for government exams. Astrophysics related subject is expected by parents

**Action Taken**

Based on feedback, the following action to be/are taken

1. Based on the suggestions, minor syllabus revision was made in spectroscopy, EMT, and statistical mechanics syllabus. It was discussed in the BOS meeting.
2. Carrier competence skill was included in the I and II semesters in M.Sc., Physics curriculum with the approval of BOS. Employment-related content and coaching were given by the placement cell.
3. The new elective course "Instrumentation method" to provide research thought was included. Astrophysics subjects as an elective will be included in the next curriculum based on other stakeholders' feedback.
