Feedback and Action Taken Report**

**Academic Year: 2019 – 2020**

**Feedback**

For the academic year 2019 – 2020, the following important points were noted from feedback provided from stakeholders such as faculty members, students, alumni, and parents.

1. Students are expected to combine advanced and microprocessor practical as a single practical subject. Core-related experiments may be added instead of electronic practicals.
2. Infrastructure and learning content is good
3. Alumni interaction is needed to get awareness about a job opportunity
4. Computational Physics course may be added

**Action Taken**

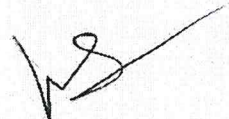

Based on feedback, the following action to be/are taken

1. Computational Physics and Matlab practical in the fourth Semester was included with the approval of BOS.
2. An Alumni WhatsApp group was created for the interaction. Also, an Alumni meet was conducted.
3. Based on the suggestions, still minor syllabus revision is needed in the I and II semester syllabus particularly matimatical physics and classical mechanics. It should be discussed in the next BOS meeting.
