**Feedback**

From feedback from various stakeholders, including teachers, students, parents, alumni, and parents, the following key concerns for the academic year 2020–2021 were identified.

1. The national-level syllabus was expected for the writing entrance exam.
2. Infrastructure and lab facility is good
3. More department events regarding the curriculum are needed for students
4. E-books are required for the student
5. Astrophysics related subject is expected as an elective course
6. More interdisciplinary content may be included

**Action Taken**

Based on feedback, the following action to be/are taken

1. Minor syllabus revisions are required for new curricula based on the suggestions. It should be brought up at the next BOS meeting.
2. New elective courses (Astrophysics) and interdisciplinary courses should be included in the forthcoming syllabus.
3. E-books are collected and distributed through google classroom.
4. More department events are to be conducted based on Covid19 guidelines.
