Department of Biotechnology

Feedback and Action Taken Report (2017-2018)

FEEDBACK

Students: They request us to provide us the additional library hours instead of 1 hour per week.

Alumni: Exposure may be given to UG students regarding clinical laboratory practices and farm house practices instead of group projects for the period of maximum 30 days.

Faculty: As per the regulation, add-on course may be offered to second year UG students.

Parent: The Parents suggested to improve the communication skills of the students.

Employer: They request us to add additional course given to the creamy layer students.

ACTION TAKEN

- As requested by the alumni, Group project will be given as internship for the period of 15 days.
- The employers also insisted to offer extra courses to the creamy layer students. We have placed to include advanced learners course in the next Board of study revision.
- The staff members insisted to offer Add on courses in III & IV Semesters.
