

K.S. RANGASAMY COLLEGE OF ARTS AND SCIENCE (AUTONOMOUS)

TIRUCHENGODE – 637 215

Department of Biotechnology

Feedback And Action Taken Report (2018-2019)

FEEDBACK

Students: They request us to introduce Job oriented course in the syllabus.

Alumni: They requested us to increase the number of books in the library.

Faculty: They suggest us to increase the copies of reference books.

Parent: The Parents suggested us to conduct additional coaching classes for competitive exams and CSIR.

Employer: They request us to add internship on curriculum. And also suggest to introduce calculations/Bioethics/Biosafety Paper.

ACTION TAKEN

- As requested by the students, we have included the syllabus related to job opportunities. Eg., Food Biotechnology and add on courses on Medical Transcription.
- We requested library to increase the number of reference books and text books related to biotechnology in library as per faculties and alumni's request.
- We have conducted coaching classes for CSIR exams for PG students as per the request from parents.
- We have introduced skill-based course for students i.e., Calculation for biologist as requested by Employer.
