FEEDBACK AND ACTION TAKEN REPORT (2019-2020)

FEEDBACKS

1. Students are interested to do projects in the company instead of in-house project.
2. Need Extra Curricular and co-curricular activities.
3. Coaching classes needed for government exams and competitive exams.

ACTION S TAKEN

1. In house project has been suggested only because of having full control over the project team. It will be easier for the guide to observe the progress of work and supervise the implementation of the project.
2. By conducting department event "EMPOWER" students can exhibit their talents and improve their knowledge and skills to participate in extra-curricular activities other than curriculum.
3. In future, we will conduct classes for the competitive exams.
