

K.S.Rangasamy College of Arts and Science (Autonomous), Tiruchengode - 637 215

Department of Electronics and Communication

Feedback and Action Taken Report (2018-2019)

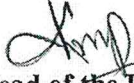

Feedback:

- More focus should be given employability skills.
- Fundamentals courses should be strengthened.
- More lab courses are needed for Electronics & Communication students.

Action taken:

- Based on feedback courses based on employability are introduced in second and third year of the programme.
- To add more core courses in the first two years the board of studies suggested changing the language I to IV pattern to language I & II pattern. From second year onwards, students will have additional core courses.
- Lab courses II & III are added in the first year of the programme. Simulation lab is also introduced.
