

K.S.Rangasamy College of Arts and Science, (Autonomous),

Tiruchengode - 637215

Department of Mathematics - UG

Feedback and Action Taken Report (2017 - 2018)

Feedback:

- The Alumni are suggested to reduce the difficulty of the subject, some relevant topics may be combined.
- Students expected to include Applications of Real Analysis in the curriculum, apart from theory.
- Entrepreneur suggested to get objective knowledge of the subject, a test on multiple choice questions may be considered.
- Parents suggested to improve student's Co-Curricular and Extra Curricular activities.

Action taken:

- As per the Alumni feedback "Statics" and "Dynamics" are combined.
- A new course "Sequence and Series" has been planned to include in the next syllabus revision for providing the application of "Real Analysis" as per student request.
- Continues Assessment test -3 is planned to conduct as MCQ's as online test.
- Students are allowed and motivate to participate in Inter-Collegiate Meet.
