

**K.S.Rangasamy College of Arts and Science College (Autonomous),
Tiruchengode**

Department of Microbiology (UG and PG)

Feedback and Action Report (2019-2020)

Feedback

- The alumni were suggested to include internship training for under graduates.
- The parents were requested to conduct additional classes to the students for development of CCS.

Action taken

- As requested by the alumni, we included the internship training program for the final year undergraduate students in final semester.
- We offer four courses related to CCS such as aptitude, employability, logical and communication skills.
