**Feedback and Action Taken Report**

**Academic Year: 2019 – 2020**

**Feedback**

For the academic year 2019 – 2020, the following major points were observed from comments provided by many stockholders such as teachers, students, alumni, and parents.

1. Students asked to conduct inter and intra-college meets to explore their knowledge.
2. Alumni asked to conduct more extra-curricular activity programs to develop their skills and appreciated that all the practical experiments are covered in the theory paper. So, it is useful for the students to gain more practical knowledge from the syllabus.
3. Parent suggested that the management have to enhance the placement for the student's career.
4. Alumni asked to provide advanced learner Course in the curriculum.

**Action Taken**

Based on feedback, the following action to be/are taken

1. Inter and intra-college events and more extra-curricular activity programs should be included in the semester design for forthcoming academic year
2. With the consent of BOS, carrier competency was added to the B.Sc., Physics curriculum in the first to fourth semesters. The placement cell provided job-related content and mentoring.
3. In the III & IV Semester Advanced learner course; Astrophysics is also implemented
