About the Department

The Bachelor of Business Administration at K.S.Rangasamy College of Arts and Science was established in the year 1996. It is a three year Under-Graduate programme for students who wish to pursue their education in management. The course aims at explaining the business environment of the public and private sectors. It helps the student to develop decision making ability in real time business situations. It also focuses on developing operational and analytical skills in students to tackle business problems in different sectors. A wide range of opportunities open in front of the students once the course is completed. The best part about the programme lies in the fact that the students get a general overview about the various tactics of managing and running a commercial organization.

Need of the course

The course of E- commerce is designed in such a way that the students impart theoretical and practical knowledge. The curriculum comprises subjects that help in learning computer applications, software programming languages and many more.

The course aim is to create the awareness of IT, commerce, management, finance and economics, mainly to train the students to apply various concepts in E – Commerce business.

Course Nature

The study of E-Commerce, course are designed in a such a way that they impart theoretical and practical knowledge to the students. They also gain technological and management skills that will allow them to give their best to online marketing.

The main reason for the rise of the E- commerce sector in India is due to the rapid growth of online marketing. There are many job profiles in the E – Commerce sector. As we have entered the digital age, a career in the e –commerce industry is one of the best career options that can be chosen by students for their future.
