It is informing you all that the certificate course on “Biochemistry and Phenomena of Life (18BCCC01)” classes will commence from 01.09.2020 at 4:15 to 5:15 PM. So, we request all the registered students to attend the classes without fail. The classes will be conducted through Google meet platform. We request all the candidates join prior to 10 minutes in Google meet.

CIRCULAR

Date: 03.08.2020

From	To
The Head	All HODs
Department of biochemistry	All Department Students

It is our pleasure to inform you all that the Department of Biochemistry has planned to conduct a certificate course on “**Biochemistry and Phenomena of Life (18BCCC01)**” this semester. The course will commence from 01.09.2020 and the duration of this course is for 30 hours. So, we welcome the interested students to enroll their names to the course coordinator. This certificate course will be conducted after the regular class hours (4:15 to 5:15 PM). The certificate will be provided to the successful candidates at the end of the course.

Interested students are advised to contact the following course coordinator for registration

Dr. S. Vadivukkarasi

DEPARTMENT OF BIOCHEMISTRY

VALUE ADDED COURSE

The Department of Biochemistry was started in the year 1995 by offering UG course and expanded to offer PG and research courses such as M.Phil and Ph.D. The college has been promoted as an Autonomous institution in the year 2009 and the department offers various courses based on the local needs. Since 2016, the Department of Biochemistry offers certificate courses for the benefit of other department students. The Certificate Course offered by the Department of Biochemistry is

☞ Biochemistry and Phenomena of Life

- Duration of the certificate course – 30 hours/semester

Biochemistry and Phenomena of Life

This certificate course deals with basic process of every physiological function, normal or abnormal in the living system. In addition the students to learn about basics about process of life especially to the non science students.

Course Objectives:

- To provide the basic knowledge about Phenomena of life
- To absolutely know how Life arise from lifeless chemicals and what makes a living being
- Explore the impact of biochemistry on health

At the end of the certificate course, a certificate will be issued to those who successfully completed the course

18BCCC01

BIOCHEMISTRY AND PHENOMENA OF LIFE**Course Objectives:****The course aims**

→ To provide the fundamental awareness about biochemistry and Phenomena of life

Total Hours: 30

UNIT	CONTENTS	HOURS OF EXECUTION
I	Introduction to Biochemistry: Definition, Fundamental concept of Life, Importance of Macromolecules (Carbohydrates, Lipids, Proteins and Nucleic acids) for life.	6
II	Biochemistry & Nutrition: Balanced Diet. Nutrition and associated disorders. Vegetables, Fruits and Spices as medicine. Food adulteration.	6
III	Microbial Biochemistry: Basic microbial infections-wounds and oral infections-basic care. Food contaminants and food poisoning-basic treatment.	6
IV	Basic Diagnosis & Treatment: Blood pressure monitor, blood glucose by glucometer and pregnancy test. Treatment: First aid management in accidents and natural disasters. Basic treatment for fire accidents.	6
V	Biochemistry in Agriculture: Biofertilizers-Composition, Preparation and Applications. Organic farming-Basics and importance. Plant food poisoning-elementary details.	6

DEPARTMENT OF BIOCHEMISTRY

Subject Name: Biochemistry and Phenomena of Life

Course Code: 18BCCC01

Summary of the Course

Objectives of the Course

This certificate course deals with basic process of every physiological function, normal or abnormal in the living system. In addition the students to learn about basics about process of life especially to the non science students.

- To provide the basic knowledge about Phenomena of life
- To absolutely know how Life arise from lifeless chemicals and what makes a living being
- Explore the impact of biochemistry on health

No. of Participants: 40

Coordinator: Dr. S. Vadivukkarasi

Assistant Professor

Department of Biochemistry

K.S. Rangasamy College of Arts and Science (Autonomous)

Year: 2020-2021

Branch of the Students: II UG students from the following departments

- Biotechnology
- Business Administration
- Chemistry
- Commerce
- Commerce-CA
- Computer Applications
- Computer Science
- Electronics & Communications
- English
- Physics
- Tamil
- Textile and Fashion Designing

Course Coordinator

Head of the Department
